Time to play and quest!

About us

HELLO EVERYBODY!

Welcome to Hub4Game, the Ukrainian team of quest makers. We create a space for games in the form of quests in boxes and creative kits for young brawlers. Our goal is to create content interesting for children and helpful for adults. We believe that the key to children's development is quality leisure such as when they learn by playing. That is why all our products are aimed at giving children both joyful emotions and logical challenges. Hub4Game products mean a holiday anywhere and anytime! Because they are interesting, exciting, and provide an opportunity to get live communication. Immerse yourself in the world of childhood with us - add adventure to your everyday life.

Why us and our quests?

ALL PARENTS ARE CONCERNED ABOUT THE FOLLOWING QUESTIONS:

- ✓ How to celebrate a birthday in an unusual way?
- ✓ How to spend interesting time with children, especially during holidays and weekends?
- ✓ How to distract teenagers from gadgets and the Internet?

THE PRODUCTS OF OUR COMPANY ALLOW YOU TO SOLVE THESE ISSUES:

- ✓ With the help of the quests, you can coolly celebrate a birthday or any other holiday or just spend a cozy family evening!
- ✓ The quests are designed so that they can be conducted anywhere: at home, in a cafe, outdoors, there is no requirement to have specific places in the apartment (except for the New Year's quest)!
- ✓ The quests are completely ready to use and even contain prizes for participants!

Let's get acquainted in more detail with the products

Quests for children

We have 2 box quest formats depending on your needs: large and small. The large ones contain cards with logical tasks and additional props: boxes, combination locks, flashlights etc. The small are more compact, they are convenient to take with you anywhere, even when traveling.

ADVENTURES OF SECRET AGENTS

A Senior Secret Agent has prepared a lot of tests to select only those who qualify to be called a Secret Agent. Young agents will go to a mysterious island where a super-secret mission is waiting for them along with logical tasks, new knowledge and skills. Every task requires attention, intelligence and courage. We are sure that the secret quest will be feasible for anyone who believes in their strength and victory, and can work as a team!
